*Students must pass each college preparatory course with a "C" or better to meet A-G requirements.

KHS Counseling Services

All students have access to academic and personal counseling services. Students may email, phone, or sign up in the office to request an appointment with a counselor. Counselors assist students with high school entry, graduation, Career Technical Education (CTE), and college/university preparation by offering the following guidance activities for each grade level:

- 8th Grade Transition: Frosh Orientation Night, 8th grade visitations, on-site registration, placement testing
- 9th Grade: 4-year planning
- 10th Grade: Sophomore classroom presentation and academic review, Sophomore/Junior Parent Night
- 11th Grade: Sophomore/Junior Parent Night, Career Day
- 12th Grade: Senior Information Night, senior graduation status checks (biannually)
- Academic advising takes place throughout the school year and always at registration with every student.

The College and Career Center has a full time teacher-advisor available to all students. Post-secondary planning activities include College Night, optional ASVAB testing, financial aid and college application workshops. Students may visit the CCC during breaks or after school. Appointments are available by sign-up.

California Community Colleges

www.californiacommunitycolleges.cccco.edu

This is the official website for California's community college system. It offers links and admission information to all schools.

California State University

www2.calstate.edu

Explore California State University (CSU) and its 23 campuses, apply for admission, take a virtual tour and learn about financial aid.

University of California

www.universityofcalifornia.edu

Learn about the University of California (UC). Links to all ten campuses, admission information, virtual tours and more can be found on this site.

Transferable

www.assist.org

This online student-transfer information system shows how course credits earned at one public California college or university can be applied when transferred to another.

Career Technical Education (CTE)

www.assist.org

Students may also explore career options through career technical education. These are programs and classes offered by schools that specifically focus on career preparation and/or preparation for work.
